support@lightcloud.com

Installation

Connect the High Bay Low Voltage Controller/Sensor to the Bracket (RAAS):

Unscrew the 1/2" knockout on the Bracket (RAAS) with a screwdriver and screw on the High Bay Low Voltage Controller/Sensor. Connect the Bracket (RAAS) to a 1/2" knockout on a compatible fixture. Follow the wiring instructions shown below:

Configuration

All configuration of Lightcloud Blue products may be performed using the Lightcloud Blue mobile app.
