5982-UCL

Color: Clear

UPC Code: 07847790442

Country Of Origin: India

Brand Features

Leviton Extra Duty While-in-Use Covers are ruggedly constructed to protect from moisture, debris and insects, while providing easy access to receptacles. The UV resistant polycarbonate cover and base protect wiring devices from the elements without breaking, cracking or discoloration. The Extra Duty While-In-Use Covers are available in solid Gray or Clear with a gray base. They are ideal for use with lawn equipment, pools, hot tubs, holiday and landscape lighting, outdoor entertainment systems, barbeques, fountains, vending machines and other outdoor electrical applications.
