

LYRIQ FOUR-SOURCE, EIGHT ZONE DISTRIBUTION MODULE

AU1002 | On-Q

FEATURES & BENEFITS

Distributes four audio sources to eight different locations. The lyriQ Four Source, Eight-Zone Distribution Module and Triple Source Input retrofit with existing lyriQ Audio components to expand a single source system into a multi-source system. Homeowners can choose the room and the audio source connected to what they want to hear — digital music, a CD, XM Satellite Radio and the tuner or stereo.

RoHS

- Automatically overrides the remote source
- For use with the lyriQ Audio System

SPECIFICATIONS
