Hinge – TS 8800.110

created: 24.05.2018 build on www.rittal.com/us-en

Product description

Description:	The 180° opening angle allows unhindered access. Can be installed either from the inside or outside of the enclosure.
Benefits:	The enclosure retains the same protection category, even when a hinge is used
Applications:	Use a hinge instead of the three enclosure panel holders
Material:	Die-cast zinc
Color:	RAL 7035
Supply includes:	Assembly screws
Note:	Side panel and door hinges may only be installed on the same enclosure section when using a 180° door hinge Caution! The hinged and unhinged side panels, and the doors and rear panels, must always be opposite one another. Only one surface may be hinged on each vertical enclosure profile (side panel hinges).

Product features

Suitable for:	Enclosure type: TS Enclosure type: TS IT
